

Thank you for your interest in the Bugzi Loan Scheme. Bugzi is a powered wheelchair for children approx. aged 1-6 that provides experience, discovery and mobility.

The Bugzi Loan Scheme is provided by the charity MERU in response to the lack of availability of powered mobility equipment for very young disabled children in the UK

For your application to be considered please complete the application form in full.

If your child is successful in applying we will require that you:

- Provide a refundable deposit of £100 for the loan, prior to attending an assessment;
- Attend an assessment at one of our assessment centres: Carshalton, Leeds, Birmingham, Thetford, Truro, Glasgow or Belfast;
- Provide us with the name and contact details of a healthcare professional involved in the care of your child;
- When using Bugzi it must only be used on a dry, flat, hard surface;
- Only use the Bugzi within the United Kingdom;
- Provide ongoing feedback on your child's use of Bugzi;
- Arrange for the return of Bugzi at the end of the loan in a clean condition;
- Attend your centre if requested for a review, or if adjustment or accessories are required during the loan period;
- Keep us up to date of any changes in your contact details.

There are many videos available online regarding Bugzi: Please do have a look at these and the positive impact that Bugzi can have!

If you have any questions please contact us or your nearest centre.

We look forward to hearing from you.
